At 1935 local time the lady called  
and said she had seen an object  
flying (stationary) in the air. She  
said it appeared to be shiny  
like foil, had square edges, shaped  
like a house, and had strings  
running up to it, <sup>which</sup> occasionally  
something would go up <sup>until it</sup> ~~the~~ strings,  
reached the object. ~~While~~ While  
questioning the lady and filling out  
FTD Form 164, she was laughing and  
continued to insist that I hurry up  
and look over at the object ~~and~~  
and identify it for  
her. ~~At this point~~ At this point  
it appeared that she was playing pranks

DROP 10

I asked her for her name ~~and~~  
address and telephone number ~~and~~ paid. I would try  
to get it checked out after which I would  
call her to complete the UFO report,  
suspecting the fastest way to  
~~an~~ determine whether or not.

I contacted Dayton Police who  
checked and determined  
it was a kit.
